Board of Management – Agreed Report June 2026

Child Protection Procedures for Schools 2025

Feedback was sought and received from the wider school community to the draft Child Safeguarding Statement and Risk Assessment. This feedback will be considered and discussed by the school's leadership team at the beginning of the new school year and a revised document will be presented to the board for ratification in October/November.

Policies

A number of existing and new policies were discussed by the board. The following policies were ratified: Swimming Policy, Credit Card Policy, Electronic Banking Policy, and Mobile Phone and Smart Watch Policy.

All-weather pitch development

Clearwater Construction (CWC) handed over the pitch to the school on 24th June 2026 for use on the final days of the school term. CWC will return over the summer holidays to complete a small number of jobs, tidy the site and deliver the goalposts purchased with the support of the Parents Association.

Autism classroom refurbishment project

Following the board's submission of a new application under the Additional School Accommodation Scheme for 2026, the Department of Education and Youth (DEY) granted approval for the project. The DEY has granted the school just under €230,000 to reconfigure the existing classroom (Room 24) and the former school library to create a suitable new space for this class. Additionally, the project will include a connected external soft play surface for the class. The works are scheduled to take place during the summer holidays.

The Primary School Survey

The results of the survey were discussed. The results have since been shared with the parent body and the staff, as well as published on the school website: <https://www.stkevins.ie/the-primary-school-survey-our-schools-results-and-next-steps/>

Members of the school community are invited to make submissions on their responses to the survey data by email before **30th September**: surveyfeedback@stkevins.ie

A community feedback meeting will take place on the same night as the PA AGM in Term 1 of 2026-2027.

The board will meet in October to consider all responses received and will then consider how to proceed.

Thank you!

- The board expressed its thanks to all members of the staff for their hard work over the past school year. The board acknowledged the efforts of our secretary Felicity, housekeeper Joanne, caretaker George, crossing guard Una, the cleaning team, the whole SNA team and all of the teachers.
- The board also wished to thank the time and energy given to the school by its amazing parent body, in particular the PA and its committee led by Louise and Kim. Thanks to the PA's huge fundraising efforts this year, we have seen the delivery of our wonderful new all-weather pitch as well as the imminent arrival of a defibrillator for the school. Thanks to everyone for their hard work!

Next board meeting date: Tuesday, 29th September 2026
